

SANMINA

Sanmina Global Services (SGS)

Providing Low-Cost, Quickturn Repair Services and Logistics to Colombia

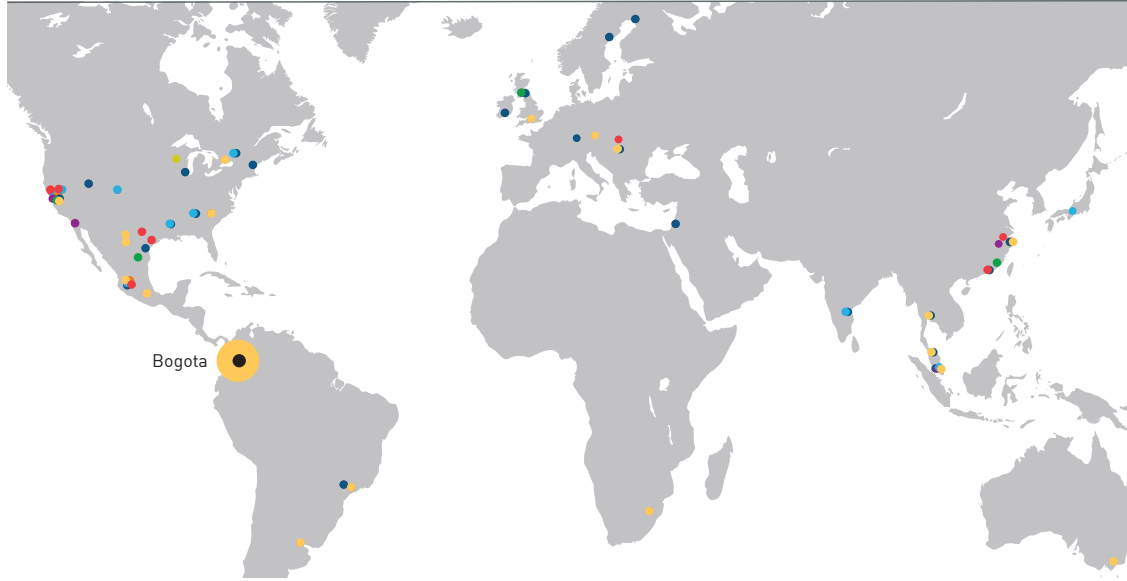

Bogota, Colombia

Our Sanmina Global Services (SGS) facility in Bogota provides efficient, quickturn logistics and repair services in Columbia and the surrounding region. This facility has over 15 years of experience performing repairs for some of the world's leading Original Equipment Manufacturers (OEMs). SGS Bogota delivers a complete range of services including repairs, refurbishment, no-fault found (NFF) screening, and product reclaim and recycling services. We also offer other regional engineering services including failure analysis and reporting, sustaining engineering for legacy products, test generation and process development.
