

SANMINA

## Enclosures

### High-technology Enclosures Mfg. and Metal Fabrication Services

### Guadalajara, Mexico

High-technology enclosures and metal fabrication services should not have to come at a high price. The Sanmina Guadalajara, Mexico enclosures facility is your solution for lower-cost enclosures and metal fabrication in North America. Equipped for high-mix and medium-volume manufacturing, our Guadalajara operation specializes in manufacturing enclosure systems, chassis, frames and cabinets for the data storage, medical, multimedia, networking and computing markets. Sanmina Guadalajara can design or redesign your enclosure systems to help you reduce costs and improve overall product design. Our Guadalajara facility also provides inbound and outbound customs support to deliver your product on-time, anywhere in the world.

# Sanmina Worldwide
